

## BOW WOW TRICK OR TREAT CALLING ALL PET RELATED VENDORS!

Our 6th annual Bow Wow Trick or Treat is just around the corner and this year we are happy to announce.... **we have outgrown our humble roots** on the City Hall lawn! **We are expecting hundreds of attendees** & with so many in attendance, we made the big move to Shanley Park where we can accommodate the large amount of adorable pooches in costume, & their owners.

**New in 2014, Pet Related Vendor Booths:** Because of the growth of Bow Wow Trick or Treat, we are now opening this event to pet related vendors who would like to support our plight to help homeless animals. *Along with all the great festivities listed below, there* will be an open area filled with pet related vendors, food, music and contests.

**Cost to be a vendor:** \$50 per booth (pet related only!). If you would like to make an additional donation to help the homeless and abandoned animals, we will gladly accept.

**The Scoop:** This event is tons of fun and will warm your heart! You will be assigned a 10x10 area to set up in. You can bring a canopy, table, chairs, your business promotional materials, a banner if you wish, and your pet related item to sell to adorable dogs in costume and their owners. You may decorate your station any way you would like as long as it is animal friendly.
