

BOW WOW TRICK OR TREAT PROMOTE YOUR BUSINESS & HAVE FUN!

Our 6th annual Bow Wow Trick or Treat is just around the corner and this year we are happy to announce..... **we have outgrown our humble roots** on the City Hall lawn! **We are expecting hundreds of attendees.** With so many in attendance, we made the big move to Shanley Park where we can accommodate the large amount of adorable pooches in costume, & their owners.

New in 2014, Trick or Treat Stations: Because of the growth of Bow Wow Trick or Treat, we are now able to open this event to community businesses who would like to support our plight to help homeless animals. *Along with all the great festivities listed below, **stations** will be set up along the walking path for the animals in costume to trick or trick to. Owner & dog will walk to each station & "beg" for their treat....***pun intended!****

Cost to host a station: FREE to businesses who would like to participate.

The catch: There really is **no catch**. This event is tons of fun and will warm your heart! All we ask is for you to bring a table, chairs, your business promotional materials, a banner if you wish, and a doggie treat to place into the bags of each of the adorable dogs in costume. You may decorate your station any way you would like as long as it is animal friendly.

Suggestions for the trick or treat bags include but not limited to: Dog toys, Balls, Bones, Chew Toys, Fancy Bandanas, or use your imagination! **Just Remember**, we will have all sizes of dogs & breeds.

What, Where, When????
